The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**REJECT ALL BIDS AND READVERTISE  
PASEO DEL RIO AT RIO HONDO AND SAN GABRIEL  
COASTAL BASIN SPREADING GROUNDS - PHASE II,  
MULTIUSE IMPROVEMENT PROJECT  
SUPERVISORIAL DISTRICT 1  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY  
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Reject all bids received on June 7, 2005.
2. Adopt the revised plans and specifications for Paseo del Rio at Rio Hondo and San Gabriel Coastal Basin Spreading Grounds - Phase II, Multiuse Improvement Project, in the City of Pico Rivera (1), at an estimated cost between \$1,800,000 and \$2,100,000.
3. Call for bids to be received on September 6, 2005.
4. Instruct the Executive Officer of the Board of Supervisors to advertise the project and to seal and return the plans and specifications to Public Works for filing.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This action involves contracting for the paving and slurry sealing of existing bicycle paths; installation of picnic shelters, tables, benches, bike racks, trash receptacles, striping and pavement markings, manual and electrical gates, fencing, irrigation systems, and landscaping; construction of retaining walls; and other appurtenant work.

On May 10, 2005, your Board approved the project and called for bids to be received on June 7, 2005. Since only one bid was received and it came in over 60 percent higher than the engineer's estimate, we believe that readvertising this project will result in receipt of more competitive bids. Therefore, rejecting all bids and readvertising the project is in the County's best interest.

Our certified records of the bid proposals received on June 7, 2005, are enclosed.

This project is part of Public Works' ongoing program to provide for the multiple use of flood control facilities by allowing access into the spreading grounds for passive recreational purposes.

### **Implementation of Strategic Plan Goals**

This revised project is consistent with the County Strategic Plan Goal of Service Excellence since it will enhance existing flood control facilities for increased public use.

### **FISCAL IMPACT/FINANCING**

There is no fiscal impact associated with rejecting bids. Costs associated with readvertising will likely be offset by obtaining more favorable bids.

The estimated construction cost is in the range of \$1,800,000 to \$2,100,000.

The estimated total cost of the Flood Control project is \$2,600,000. Flood Control District - City Agreement No. 75081, provides for the Flood Control District to perform the preliminary engineering and administer the construction of the project. The City is to finance approximately \$1,900,000 through grants received from Propositions 12 and 40 for this Phase II project and the Flood Control District is to finance up to \$730,000 of the cost of the project.

Sufficient funds for this project are available to the Flood Control District for the proposed Fiscal Year 2005-06.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The enclosed revised plans and specifications include the contractual provisions, methods, and material requirements necessary for this project. The contract agreement will be in the form previously approved by County Counsel.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws.

### **ENVIRONMENTAL DOCUMENTATION**

On September 14, 2004, your Board approved the Notice of Exemption prepared by the City of Pico Rivera which was filed with the County Clerk's office on May 28, 2003.

### **CONTRACTING PROCESS**

This project will be contracted on an open competitive bid basis. The contract will be awarded to the lowest responsible bidder meeting the criteria established by your Board and the California Public Contract Code.

To increase contractor awareness of our program to contract work to the private sector, this project will be listed on the County website for upcoming bids.

The project specifications contain provisions (1) requiring the contractor to comply with the County's Child Support Compliance Program, (2) requiring the contractor to report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees, (3) requiring the contractor to comply with the requirements of the County's Contractor Employee Jury Service Program, and (4) requiring the contractor to comply with the Newborn Abandonment Law (Safely Surrendered Baby Law).

The Honorable Board of Supervisors  
July 28, 2005  
Page 4

The project specifications also contain a provision that, should the contractor require additional or replacement personnel to fill employment openings, consideration shall be given to hiring qualified participants in the County's Greater Avenues for Independence or General Relief Opportunities for Work Programs.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report False Claims Act violations, labor law/payroll violations, debarments, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The project is to be completed in 160 working days. It is estimated that the work will start in December 2005 and be completed in July 2006. Traffic and local access adjacent to the spreading grounds will not be disrupted during the construction.

#### **CONCLUSION**

Please return one adopted copy of this letter to Public Works.

Respectfully submitted,

DONALD L. WOLFE  
Director of Public Works

## NOTICE INVITING BIDS

Sealed Bids will be received by the County of Los Angeles Department of Public Works, Construction Division, for the slurry sealing of existing bicycle paths; installation of picnic shelter, tables, benches, bike racks, trash receptacles, striping and pavement markings, manual and electrical gates, fencing, irrigation systems, and landscaping; construction of retaining walls; and other appurtenant work under Project ID No. WMD0000099, Paseo del Rio at Rio Hondo and San Gabriel Coastal Basin Spreading Grounds, Multiuse Improvements Project - Phase II, in the City of Pico Rivera.

The Bids must be submitted at the Cashier's Office, located on the Mezzanine level, 900 South Fremont Avenue, Alhambra, California 91803-1331, before 11 a.m. on Tuesday, September 6, 2005. The Bids will then be publicly opened and read in Conference Room A or at the location posted in the main lobby.

The Work shall be done in accordance with the Plans and Specifications on file and open for inspection at the County Board of Supervisors Executive Office and the Department of Public Works. The Work is estimated to cost between \$1,800,000 and \$2,100,000 and shall be completed in 160 working days. The Work requires a Class A contractor's license. Prebid questions regarding the Plans and Specifications should be directed to Ms. Christine Quirk at (626) 458-3199.

The Bids must be submitted on the Proposal forms included in the Bidder's package of the Contract Documents, which may be purchased for \$18, if picked up at the aforementioned Cashier's Office, (626) 458-6959, Monday through Thursday between 7 a.m. and 5:30 p.m., or for \$22, if mailed, which includes postage and handling.

Each Bid must be accompanied by a certified check, cashier's check, or surety bond payable to Los Angeles County in an amount equal to at least 10 percent of the Bid to guarantee that the Bidder will enter into the Contract if it is so awarded.

All persons performing the Work shall be paid not less than the General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to the California Labor Code. Copies of these wage rates are available at the Department of Public Works.

The Bid must provide full disclosure of False Claims Act violations, labor law/payroll violations, debarments, and civil/criminal legal actions as provided for on the forms included as part of the Proposal. Failure to complete these forms may result in a determination that the Bidder is nonresponsive and/or not responsible.

The Contract, if awarded, will be awarded to the lowest responsive and responsible Bidder; however, the Board of Supervisors reserves the right to reject any and all bids.

A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible contractors.

The successful Bidder will be required to fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees and comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance throughout the duration of the Contract. Failure to comply may be cause for termination of the Contract or initiation of debarment proceedings.

The successful Bidder will be required to submit a faithful performance bond, payment bond, liability insurance, and workers' compensation insurance with the Contract.

As provided for in Section 22300 of the California Public Contract Code, the Contractor may substitute securities for any monies withheld by the Department of Public Works to ensure performance under the Contract or enter into an escrow agreement for payment of such monies to an escrow agent.

Each person by submitting a response to this Notice Inviting Bids certifies that such Bidder and each County lobbyist and County lobbying firm, as defined by Los Angeles County Code Section 2.160.010, retained by the bidder, is in full compliance with Chapter 2.160 of the Los Angeles County Code.
